MINNESOTA RACING COMMISSION

Dear Applicant:

Thank you for your interest in applying for racehorse aftercare funds from the Minnesota Racing Commission (MRC). We are dedicated to preserving and protecting the quality of life of racehorses once their racing careers have ended and helping them find a safe and productive post-racing career.

The MRC allocates all racing-related fine monies to a special revenue fund dedicated exclusively to the aftercare of retired racehorse. These funds are additive to the funds generated by the Minnesota racetracks and the horsepersons' organizations. While we wish every need could be addressed, the limited funds available dictate that we reserve these funds for horses that have participated at racetracks in Minnesota.

The application includes a questionnaire, limited financial reporting information, as well as additional supplemental documents. Please take care in completing the application questions and ensure that you provide any additional documents requested as attachments.

The funding application will help us determine the best way to address your needs. Please be as thorough as possible. The MRC may also schedule site visits during the application process or after the funds are released. This will give us a chance to meet you, your volunteers and staff, and see your facilities first hand. The original application and all supporting materials should be submitted to the MRC no later than **August 3, 2018** and should be mailed or emailed to the address below. Please make sure you retain a copy of the application for your records.

Applicants MUST meet the following requirement:

- Current 501(c) (3) charitable organization

****Please note funds will not be distributed to first-year or start up organizations****

The MRC looks forward to working with you to preserve the quality of life for our retired Thoroughbred, Quarter Horse and Standardbred horses. Please feel free to contact us with any questions you may have.

Sincerely,

Stephanie M. Neises
